4 weeks after - changes from baseline

What, if anything, did you like about the test product?	Please write in your experience with using the product.
I liked everything about this moisturizer	My skin feel so soft, fine lines and improved my skin has a radiant glow, pores seem to be less visible, skin feels tighter & very hydrated.
The way it makes my skin feel	Excellent product!
My skin feels smooth & looks younger	I experienced a younger appearance + smoother + softer skin.
Takes very small amount for coverage. Decreased lines on forehead right away.	Have used 2x everyday. It is easy to apply. Very smooth with a small amount. Surprised at decrease in lines on forehead. Smell is not great. Feels a little oily.
My skin looked better immediately and within a few weeks, lines between my eyes decreased. The lotion absorbs quickly.	I use very high end products, but haven't had such quick and excellent results. I love this product. My skin looks much younger.
Light, odorless, pump bottle, the way it makes my skin and look.	It was a great experience, because I have never used a moisturization cream on my face before.
Light, the bottle, not greasy, smooth	
The smoothness & easy to rub in skin, results are noticeable pleasing	The applying to areas where comfortable and rub into skin with ease feeling soft to touch
I liked the silky feel sensation after applying it on my face.	I love how it make my face smooth + radiant
The moisturizing affect on my skin and the hydration. I have very dry skin and it is very difficult to hydrate and it always feels dry + rough this product helped	I loved the product. The application was very easy to apply. I enjoyed using it daily in order to experience the moisturize and smoothness the product creates on my skin.
I like that there were no side effects. I like the texture of the cream it wasn't greasy nor too heavy. It felt like water that my face never felt. My skin just drank it in. Very hydrated.	
It is light.	Easy to use. Application easy. Not irritating.
The feel of the product, and the very light fragrance.	I love this product! My skin feels very hydrated after each use, and it looks glowing!
I like how radiant the product makes my skin look and feel.	I love how easy the product goes on. I also really love how the product makes my skin look so radiant!!
Very light, not heavy to apply	Compared to other moisturizers this product got me the best result based on comments from friends.
I really like this product, I can get so many benefits on my skin.	My skin is hydrated, more smooth, looks younger.
Love the product makes my skin glow	Others have notice the difference
Goes on smooth and my skin stay moisturized.	Really liked the way it keeps my skin moisturized and easy to apply.
the texture was not oily and very easy to use. Last on a long time	Great product that offers excellent hydration and adds softness to the skin.
It made my skin glow, and feel softer to the touch and appearance looks great!	It has an immediate reaction as soon as I apply it. My skin hasn't looked and felt so good and hydrated in many years I would buy in a heart beat
It made my skin feel soft, hydrated; my wrinkles significantly decreased. I look younger now than 4 weeks ago, when I started to use the product.	It was easy to use, and very soon I started to see my fine lines and wrinkles diminish. My skin became more smooth and firm. After each application, my skin felt moisturized and fresh.
Eye sensitive if applied too close would like to see a less harsh product applied to the eye area	Love the balance of oils that are used in the product to make skin soft. Light fragrance not greasy
Makes my skin super soft right after applying.	My skin feels great at first, then feels a little rough later. Could be because I got used to soft?
Like the smoothness of my skin	I like the product makes my skin feel soft.
Good light fragrance, absorbs into skin easily, does not feel too heavy after initial application.	Cream goes on smoothly & seems to absorb as needed. Very sore if any gets in eyes!! Is kind of thick so takes some time to fully spread on face. No sun screen included...
I like the consistency and creaminess of product.	I like the smoothness and creaminess of products. It takes a few minutes I think to fully sink into skin and not have skin feel "greasy". I hate the smell!!!
The product left my skin hydrated and moisturized.	Fine lines and wrinkles were improved on the forehead and mouth. Very comfortable and radiant glow.
